Dear Mr. Lowe:

PACCAR is in receipt of a Notice and Order of Civil Penalty, No. 5134, issued by the Puget Sound Air Pollution Control Agency arising out of your company's violation of their regulations by the outdoor burning of materials on May 26, 1981 on the premises which you are subleasing from PACCAR.

From my conversation with Dan Smith of Kenworth Truck Company, it is my understanding that you are planning to pay the \$250.00 fine. I would appreciate your resolving this matter at the earliest possible time and providing me with written confirmation that the matter has been concluded.

Very truly yours,

Kenneth R. Brownstein
